Description

An extra-flat shower tray, Cube manufactured in Scene® and Quadro, manufactured in Marmek®. With easy, built-in or onto paving installation options, perimetrical border and a wide range of sizes, Cube and Quadro shower trays are fully adaptable to all needs. The series has a wide range of formats with varying widths, a height of 3.5cm and a slate texture finish that brings a special warmth to the touch. The versatility, simplicity and elegance as offered by the series produce an outstanding feature within the bathroom
