

### Description

Spot is a counter-mounted washbasin series where the carefully worked design of each of the 174 pieces which make up the series stands out. Devised to embellish and complement the bathroom with an individual design for each setting, they are developed with distinct basin designs, exterior forms and colours, heights and areas for faucetry. Spot counter-mounted washbasins are manufactured using Scene<sup>®</sup>, white in colour, with a smooth texture and a matt finish.
