

Description

An extra-flat shower tray, Line manufactured in Scene® and Moon, manufactured in Marmek®. With built-in or onto paving installation options, alongside a wide range of formats and finishes, the shower tray is fully adaptable to all needs. The possibility of custom cutting allows for a high grade of product personalization, making for an easy integration with the rest of the bathroom's architectural elements. The series of shower trays comes in two versions, Line / Moon X, where its characteristic longitudinal drainage runs across the width of the shower tray and Line / Moon Y, where the drainage runs along the length of the shower tray. The drain cover comes in stainless-steel but, as an option, can be ordered in same finish and colour as the shower tray

Formats

Line/Moon X

(70-90)x(100-140)
(91-100)x(100-140)
(80-90)x(80-90)
(91-100)x(91-100)

Line/Moon Y

(80-100)x(120-180)
(120-150)x(120-150)

Material

- Scene®. A solid, homogeneous material with a renewable surface
- Marmek®. A material composed of resin and mineral loads

Standard

- Height 3cm
- Drainage gradient of between 1 and 2,2%, according to format
- Stainless-steel drain cover
- Ø50 mm waste valve
- Moon: Class 3 ENV 12633 I C (DIN 51097) | PN24 (XP P05-011) Anti-slip treatment

Optional

- Drain cover in same finish and colour as shower tray
- Other available waste valves
- Line: Class 3 ENV 12633 I C (DIN 51097) | PN24 (XP P05-011) Anti-slip treatment
- Custom cutting

Installation

- Onto paving or built-in
- Requires space beneath tray to house valve (see pre-installation)
- Suitable for Ø50mm waste valves compliant to EN 274:2002
- Installation with R2 PU Adhesive, according to EN12004:2008+A1:2012
- Suitable for installation of glass enclosure

Features

- Suitable for private or public use
- Interior use
- Highly resistant to moisture
- Highly resistant to chemical agents
- Very hard surface, resistant to impact, abrasion and scratching

Norm compliant

- Shower tray: EN 14527:2006+A1 2010 Shower trays for domestic purposes
- Waste valve: EN 274:2002 Waste fittings for sanitary appliances
