

Description

An extra-flat shower tray, Nature manufactured in Scene® and Neo, manufactured in Marmek®. With built-in or onto paving installation options, alongside a wide range of formats and finishes, the shower tray is fully adaptable to all needs. The possibility of custom cutting allows for a high grade of product personalization, making for an easy integration with the rest of the bathroom's architectural elements

Formats

Material

- Scene®. A solid, homogeneous material with a renewable surface
- Marmek®. A material composed of resin and mineral loads

Surface finish

- Smooth or slate texture
- Matt finish

Colour

- Nature:

- Neo:
